

**BECAUSE SOMETIMES
DORM HOURS JUST
AREN'T LONG ENOUGH**

Resident Collegium 

TWU INVITES YOU TO BECOME A MEMBER OF THE MARLIE SNIDER COLLEGIA PROGRAM

Why? Because sometimes your bedroom isn't the most inspiring place to write a term paper. Sometimes you crave tranquility just as your roomie comes home with a karaoke machine. And sometimes you need to get out of your less-than-feng-shui dorm but can't find a ride off campus.

Take advantage of the:

- increased co-ed interaction
- computers with internet access & printing station
- quiet reading & group study areas
- cozy fireplace to curl up by
- comfy modern environment
- space away from your dorm
